

Post Results Services (PRS)

If you think that you have been unfairly marked you can ask the exam board to review the marking of your paper or to ask for a clerical check (i.e. the addition of the marks to be checked). You might also wish to request a copy of the exam script. There are costs and deadlines for requests of these post results services offered by Awarding Bodies. Any enquiries should be directed to the Exams Officer as soon as possible after results are received.

Candidates must sign a consent form at the time of a request, acknowledging that by requesting a review of marking their marks may go down as well as up, or they may stay the same. This form must be signed by the **candidate** and not by a relative or teacher. Details of fees and deadlines, along with consent forms for these services will be available on results day from the Exams Officer.
