Please list any other schools, colleges or academies to which you are also applying: _____

Examinations to be taken in summer 2019 [Or results already achieved].

Please give the Predicted Grade based on your most recent Report or Assessment, and include ALL full course subjects for which you expect to be entered. Alternatively, if you have already taken your GCSEs, then please give your actual grades.

SUBJECT	LEVEL	PREDICTED /ACTUAL GRADE
English Language	GCSE	
English Literature	GCSE	
Maths	GCSE	

Choosing the subjects you wish to study at Southborough Sixth Form:

- Students are given the opportunity to study three A level subjects (or Level 3 equivalents) at Southborough Sixth Form, or four A levels if a student wishes to study Maths and Further Maths as part of their subject selection.
- Students should be aware that they will need to achieve at least a grade 7 in their GCSE Maths to study Maths at A level and a GCSE grade 6 in the appropriate subject to study it at A Level, including English Literature, Languages and all Science subjects. A small number of subjects require at least a 5 grade at GCSE in order to study it at A level, including Art, History and Geography.
- The new NOF Level 3 BTECS that we offer at Southborough are newly rigorous and do contain external assessment alongside coursework.
- If you do not achieve a pass grade at GCSE Maths or English, you will need to re-take the subject(s) at Sixth Form. This may also affect the A level subjects you can choose to study at Sixth Form.

Southborough Sixth Form Course Selection

Please indicate below which subjects you would like to study at Southborough Sixth Form.
